

ERRATA

Once again we have to apologize for errors which managed to slide into Vol. 12, 1981.

Page 2 : For *anonomous* read *anonymous*.

Page 21 : For *Duirk* read *Quirk*.

Page 22 : *Comples* should read *Complex*.

Page 29 : *Misception* should be *misconceptions*.

Page 35 : The phrase, *the life of a person*, should end on a comma, not a full-stop.

Page 39 : *Improvization* should be *improvisation*. This is a matter of consistency: the word is spelled with an *s* elsewhere in the review.

Page 43 : For 'have ... *showed* their ugly faces', read 'have ... *shown* their ugly faces'.
